#### **Outdoor recreation area**

We are developing the outdoors area. We now have a brand new table tennis for the pupils to enjoy.

#### Warm weather

- Pupils are encouraged to drink lots of water to stay hydrated during the warm weather. Please fill water bottles with water – fizzy drinks are not allowed.
- Pupils are allowed to come to school with sandals with a back strap no flip flops or sliders allowed.
- Pupils do not need to wear ties.
- Pupils are encouraged to wear a hat when outside during break and lunch.
- Sun screen is advised, but needs to be put on before coming to school.
- During very warm days, we will minimize pupils' running (or temporarily stop football) during this heat, as pupils don't pace themselves and come in looking puce and wet with sweat. We would not want pupils to be uncomfortable once returned to the classroom after being outside.

Red-Orange Class

This week has been assessment week so the children have been taking part in maths, reading and writing assessments.

In History we have been looking at different viewpoints from first-hand accounts from Victorian times.

In Science we have been learning about grouping animals based on their characteristics.

In Design and Technology we have been learning how to prepare different kinds of food.

#### Reminders

Please make sure your child has their reading record in school every day as we write in these during our reading sessions.

Please make sure your child does not bring in any toys from home, as this causes upset and distress if they are misplaced.

Thank you once again for your kind support.

Little Wandle books have now been sent home to all children. Please ensure you read with them and write in their reading records. Please remember to put reading books in book bags! Otherwise we cannot give out a new reading book. If books are lost or damaged parents will be charged a fee to replace.

After preparing the food, the children all had the opportunity to taste it, describing its look, taste

A big well done to all the children who completed their Phonics Screening Checks this week! You all did an amazing job!

Orange- Yellow class had lots of fun in Design and Technology this week. We looked at different ways food could be prepared. We split into 6 groups and all had to prepare the item of food in different ways. This is how the groups prepared the food: 1. Mash a banana, 2. Grate a carrot, 3. Chop some celery, 4. Slice a tomato (very carefully!), 5. Tear the lettuce, 6. Peel the apple.

Green-Blue Class

# Class Register Teacher: Mrs Jenny Dean

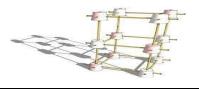

I am super proud of the Year 4 children who completed the statutory MTC tests over the past couple of weeks! They have all worked extremely hard to improve their times tables recall. Well done everyone!

# Design & Technology

We constructed a shell or frame structures using diagonal struts to strengthen them.

Your home challenge – how tall can you build a spaghetti and marshmallow tower that will support a book? Don't forget to send a picture to show your achievement!

#### Transition

In PSHE we are starting to talk about transition. As the school year comes to an end, we are starting to think about the changes the new academic year will bring and moving on to the next phase in our education. This year we talked about what we are looking forward to and some of the things we may be a bit unsure of. We thought about some responsibilities we might like to take on and how we can equip ourselves for this. Some of the things we said about next year:

Moving from year 5 to 6	Moving from year 6 to 7
<i>'I am looking forward to year 6 because we are going to do things like bikeability and PGL.'</i>	<i>'I am looking forward to year 7 because I get to walk to school with my friends.'</i>
'We finally get to sit on the benches during assemblies.'	<i>'We are going to make new friends in secondary school.'</i>
<i>'I am looking forward to the breakfast we will have before we write our SATS.'</i>	<i>'I am looking forward to the DT lesson in year</i> 7.'

#### Summer Sports Day – Wednesday, 5th July

- We will be having a Summer Sports day... HOORAY!
- SCS will be hosting this event and parents are invited to attend.
- We will also have some help from the West Essex Schools Sports Partnership (WESSP).
- We will definitely have more traditional events this year such as egg and spoon race, etc!
- EYFS and KS1 will be in the morning and KS2 in the afternoon.
- Class representatives to please liaise with school to help setting up the event.
- More information to follow, once arrangements have been finalised.

Ready Steady Go To School is a fun challenge full of activities which will help your child to practice skills that they'll need to help them feel confident and be ready to start school in September. The challenge is running in all Essex libraries from May to July and includes a range of activities within seven challenge areas. These are: Speaking and Listening Being Active Personal, Social and Emotional Skills Early Reading and Writing Maths and Numbers Understanding the World Express Yourself As your child completes activities, they'll collect stamps in a special booklet, and once they have all seven stamps, they'll get a certificate! This challenge is a great way for your child to prepare physically and emotionally for starting school and will provide parents and carers with some top tips and useful information too! Sign up to the challenge now in any Essex library! Don't forget to tag us in photos of you completing your challenges on Facebook, Instagram, and Twitter @essexlibraries!
