This week our collective worship focused on how our world is broken and how prayer and words can help in a small way. We joined together to think about how things we do and say can help to heal it in a small way.

I hope some of our families are taking part in the Fyfield 5k and don't forget to let us know if you have so we can award you some house points! Good luck and why not bring in a photo or tweet your run!

Please have a think about our careers fair planning and I would love to hear from you if you feel you can contribute to this event in any way - no matter how small.
