What an exciting and busy half term it has been, we have all been working hard and it has been a pleasure for me to get to know the children - I nearly know all their names! We have voted as a staff for Headboy and Headgirl (see their introductions below) and will be welcoming our new parliament very shortly.

The children have been so welcoming and are a credit to the school. I now feel officially at home and am very much looking forward to the future.

I wish you all a restful and enjoyable half term.

Hi, My name is Kenny and I am the new Head boy. I have been here for 6 years. What I like about Dr Walker's is that all the children are kind and respectful and that all the pupils try their best. My favourite subject is PE and Maths. I hope in the future our school is a better and creative place that is known throughout Essex.

Hi, my name is Edie and I am the new Head girl. I have been at Dr Walker's for 7 years. What I like about this school is that all the adults always make sure that everyone is included. My favourite subjects are English, PE and art. In the future, I hope to make Dr Walker's a school that is known for being an inspirational, creative place to be throughout Essex.

I am looking forward to working with these children - what fantastic visions for our school!
