Head of School	St Nicholas's Church
<p>What a very busy Autumn term it has been. There has been a lot to reflect upon and many positive changes that have been made.</p> <p>I am delighted to advise that following the Local Authority Standards and Intervention Moderation Board meeting at the end of Autumn Term '24, it was agreed that the Improvement Board is no longer required and an Exit Strategy has been agreed. Having reviewed the progress that has been made to the school's effectiveness, it was agreed that the prioritisation for the school will now be Medium. The school will continue to receive regular visits to provide guidance and support for the school priorities from Sarah Foster, our School Effectiveness Partner. I would like to take this opportunity to thank all the children, parents, wider family members, staff, Mrs Nazif, governors and visitors to the school – as without everyone's dedication and commitment to ensure the future success of Dr Walker's, this would not have been possible.</p> <p>We still have many exciting things happening for next week – the Movie Day, Christmas Bake off, Christingle, Christmas performances, the church visit, class parties – please ensure that your child is in school every day, and on time!</p> <p>Mrs Jenny Dean</p>	<p>We are privileged to work closely with our local church, St Nicholas, Fyfield.</p> <p>You are welcome to join for worship at 10.30am on the second and third Sundays of the month, get involved in community activities, or just find a place of peace and prayer in a busy world - the church is often open during daylight hours.</p> <p>Get in touch</p> <p>Reverend Sam Brazier-Gibbs</p> <p>The Vicarage, Church Street, Blackmore, Ingatestone, Essex. <p>Open the Book performed: - The parable of The Good Shepherd (Gospel of John)</p> <p>The Good Shepherd, John 10: 1-21. "Very truly, I tell you, anyone who does not enter the sheepfold by the gate but climbs in by another way is a thief and a bandit. The one who enters by the gate is the shepherd of the sheep. The gatekeeper opens the gate for him, and the sheep hear his voice.</p>

Attendance Ladder

Is my child too ill for school?

Please find attached poster and [NHS website guidance](#).

We are sharing this as part of the new National Framework for Attendance, we now are required to report any child who has 15 days absence due to illness across the entire school year to the Department of Education.

Please be reminded that if your child is off ill you are required to contact the school **daily by 9.00am**. We also ask when reporting your child's absence, you avoid using words such as 'unwell' and 'not well' as we need to be able to track what illnesses are going through classes; therefore, request that you be more specific.

Helping to create a pattern of regular attendance is the responsibility of parents, pupils and all members of school staff.

Holiday Absence Fines: With the introduction of the new National Framework for Penalty Notices we are again sharing the new regulations around term time holidays. Please take the time to read the guidance and take into consideration when planning family trips.

Essex County Council

Helping Parents understand Penalty Notice Fines for School Attendance

From 19 August 2024, there is a National Framework for Penalty Notice Fines being issued for unauthorised absences recorded by schools

National Threshold

A single consistent national threshold for when a Penalty Notice must be considered by ALL schools in England, this is:

- 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period
- These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence
- For example, a 5-day unauthorised leave of absence would meet the national threshold
- The 10-school week period can span different terms or school years

Who may be fined?

- Penalty Notice Fines are issued to each parent who allows their child to be absent without authorisation from school
- For example, 3 siblings absent for unauthorised leave during term-time would result in each parent receiving 3 separate fines

First Offence

The first time a Penalty Notice is issued for unauthorised absence, the fine amount will be:

- £80 per parent, per child if paid **within 21 days**
- If not paid **within 21 days**, the fine will increase to **£160 per parent, per child, payable between the 22nd and 28th day**

Second Offence (within 3 years)

The second time a Penalty Notice is issued for unauthorised absence, a reduced rate is not available. The amount therefore will be:

- £160 per parent, per child – payable within 28 days

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed, a Penalty Notice WILL NOT be issued, and the case will be presented straight to the Magistrate's Court

- Prosecution can result in criminal records and fines of up to £2,500
- Cases found guilty in a Magistrates Court can show on the parent's future DBS (Disclosure and Barring Service) certificate (Disclosure and Barring Service) due to a 'failure to safeguard a child's education'

To help us all to focus on this, we will:

- Submit a daily attendance return to the Department of Education, in line with the legal expectations placed on all schools;
- Build strong relationships and work jointly with families;
- Give parents/carers details on attendance in our newsletters;
- Promote the benefits of high attendance;
- Accurately complete admission and, with the exception of schools where all pupils are boarders, attendance registers and have effective day to day processes in place to follow up absence as required by law;
- Celebrate excellent attendance by displaying and reporting individual and class achievements;
- Reward good or improving attendance;
- Report to parents/carers regularly on their child's attendance and the impact on their progress;
- Contact parents/carers should their child's attendance fall below the school's target for attendance.

If attendance is below **95%** / causing concern, and/or where punctuality is a concern, we will;
Write to you;

- Arrange a meeting so that you may discuss the situation with our Senior Attendance Champion.
- Create a personalised action/support plan, such as an attendance contract, to address any barriers to attendance and make clear each person's role in improving the attendance patterns of your child;
- Offer signposting support to other agencies or services, if appropriate;
- Refer the matter to the Local Authority for relevant legal sanctions, if attendance deteriorates following the above actions.

LET'S REFLECT

Wicked, the hugely successful Broadway musical, has recently premiered worldwide as a film. Wicked shares a different perspective of the events in the magical land featured in 'The Wizard of Oz', prior to Dorothy's arrival. It is the story of Elphaba (a misunderstood witch), who later becomes the Wicked Witch of the West, and her friendship with Glinda, who becomes the good witch. Karis Musongole, aged 10 from Manchester, plays the young version of Elphaba.

Individual Liberty

We have the freedom to choose and pursue the hobbies and interests we enjoy. We respect the choices of others and support them in finding and sharing their talents.

Class news WILLOW CLASS

In RE, Willow have been exploring the birth of Jesus and recognise the link with incarnation, and its part of the Big Story of the Bible. They sequenced the story and re-told the story by going on a 'Baby Hunt'. They began to understand that Christians celebrate Christmas to remember the birth of Jesus.

We're Going on a baby hunt

We're going on a baby hunt (rock the baby)
We're going to find a special one (searching hands, move head looking)
What a beautiful night (tip toe in the sky)
We feel blessed (praying hands together)

Look there! A donkey
A soft grey donkey
We can't go over it
We can't go under it
Oh yes!

We'll have to get on it.
Clippety clop, clippety clop, clippety clop.

We're going on a baby hunt
We're going to find a special one
What a beautiful night
We feel blessed.

Look there! An angel.
A sparkling, holy angel.
We can't go over them
We can't go under them
Oh yes!
We'll have to go and listen.
Baby Jesus, Baby Jesus, Baby Jesus.

We're going on a baby hunt
We're going to find a special one
What a beautiful night
We feel blessed.

Look there! A shepherd.
A scared, silent shepherd
We can't go over them
We can't go under them
Oh yes!
We'll have to go with them
Baa baa, baa baa, baa baa

We're going on a baby hunt
We're going to find a special one
What a beautiful night
We feel blessed.

Look there! A star
A bright, glittering star.
We can't go over it
We can't go under it
Oh yes!
We'll have to follow it
Twinkle, shine, Twinkle shine, Twinkle shine

We're going on a baby hunt
We're going to find a special one
What a beautiful night
We feel blessed.

Look there! 3 wise men
3 royls, wise men
We can't go over them
We can't go under them
Oh yes!

We'll have to ride with them.
Bumpy bumps, bumpy bumps, bumpy bump (camel)
We're going on a baby hunt
We're going to find a special one
What a beautiful night
We feel blessed.

Look there! A stable.
A dark, lowly stable
We can't go over it
We can't go under it
Oh yes!

We'll have to go in it!
Tip toe, tip toe, tip toe shhhhhhh
Who's that?
One small manger
Two balls of straw
One special baby
It's Jesus!

YAY!!!

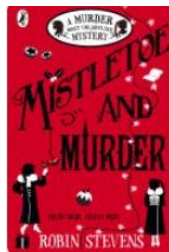

SYCAMORE CLASS

Sycamore class have been working on their revising skills this week, looking at ways to improve their written accounts. They also began a new writing unit on Thursday, working towards writing a list poem. They have continued their work on clay and will be painting their pinch pots shortly. In French, the children have been summarising all the work they have done in their unit on transport by creating posters, using their IT skills to enhance their work. It has been wonderful to see how excited the children are each morning to come into the classroom to find out where the Elf on the Shelf is which is making us all feel very Christmassy! Thanks for another hard-working week, Sycamore class – keep up the effort for the rest of the term – we're nearly there!

MAPLE CLASS

This week in Reading, we are looking at the very exciting theme: CHRISTMAS! We looked at extracts from the following books and movie trailers:

As we did some work on Christmas books and movies, we talked about some Christmas traditions from all over the world...

Finland Christmas Tradition: Christmas Sauna

In Finland, families traditionally visit the sauna on Christmas Eve, followed by a festive feast. The sauna symbolises cleansing before the celebrations.

Japan Christmas Custom: Fried Chicken Christmas Dinner

In Japan, Christmas dinner means Fried Chicken! Christmas isn't widely celebrated in a religious sense, but many families enjoy a festive meal from KFC!

Venezuela Christmas Custom: Get your skates on!

In the week leading up to Christmas, Venezuelans attend a daily church service called Misa de Aguinaldo (Early Morning Mass). In the capital, Caracas, it is customary to travel to the church service on roller skates.

It takes courage to hope for a better future. We champion a 'can do' attitude and encourage our pupils and colleagues to tackle challenges with resilience and perseverance as they reach for ambitious targets.

Christingle

The idea of the Christingle began in Germany in 1747 where, at a children's service, Moravian Bishop Johannes de Watteville looked for a simple way to explain the happiness that had come to people through Jesus. The modern form was introduced by John Pensom of The Children's Society in 1968. This involved children decorating an orange with a red ribbon, dried fruits, sweets and a candle to create a new visual representation of Jesus Christ, the light of the world.

A Note To Reflect Upon

A little note to reflect upon.....

AN AUTISM CHRISTMAS

Twas the night before Christmas, and all through the house...

The noises were different, with more people about.
I don't like not knowing, what to expect
I need my routine and space to reflect.

I want to keep eating, my usual food
Not talking to visitors, doesn't mean I'm rude.
I love all my presents and having no school,
But it can feel overwhelming, with new rituals and rules.

I may not react, like other children do
But I really am grateful, for my presents from you.
So be gentle with me, be patient and kind
And remember your world, looks different to mine.

Essex ActivAte

Essex ActivAte is the name for the Holiday Activity and Food (#HAF2024) programme across Essex, run by Active Essex, Essex County Council and Thurrock Council, on behalf of the Department for Education. Additional funding is provided by Essex County Council to extend the offer to low income working families who also require support during the school holidays. **This programme takes place during the Easter, Summer and Winter holidays.** Where possible, Essex County Council and Basildon Borough Council provide additional support families during the smaller half terms as well.

The programme aims to support the physical and mental wellbeing of primary and secondary school children, through engagement in a wide variety of enrichment and physical activities, and provision of a nutritious, school standard meal.

Working with a network of trusted local delivery partners, Active Essex run FREE face to face clubs during the school holidays for children and young people who are **eligible for benefits based free school meals, as well as those from low income working families who would benefit from this extra support.** We are also able to extend this support to children and young people who may be vulnerable to inactivity or social isolation, on a case-by-case basis, please speak to the club provider to discuss if this is an option.

Each Essex ActivAte club will deliver a variety of fun physical and enrichment activities, fun food education and a nutritious meal. Alongside this you can access family support and fun activities to keep children active and entertained at home. Check out our Family Support page below to get started!

Information for parents:
multiplication tables check

Your child will be participating in the multiplication tables check (MTC) in **June 2025**.

The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help your child's school to identify if your child may need additional support.

Read more guidance from the STA [here](#)

In the meantime, please practise regularly with your child using the link below, which is similar to the DfE testing

Maths

Have you used the White Rose Maths app yet?

What's the app about?

This first version of the app is aimed at Key Stage 1 pupils. Individual one-minute tasks focus on adding and subtracting – and on 'Subitising', the skill of instantly recognising the number of items in a group without counting. Multiplication and division topics are also now available!

How do we use it?

Children can choose any topic they want to try. They then answer a unique series of questions (so it's a different set of questions every time). If they're struggling with a question, a 'Hint' button will give a helpful clue by showing the question in a different but familiar way.

When the one minute's up, they'll see a feedback screen telling them how they've done.

It is free to download on:

Christmas Free School Meal Vouchers

Essex County Council provide meal vouchers funded by the Department for Work and Pensions Household Support Fund.

The vouchers can be used at a number of supermarkets and local shops, details of which you'll see when the voucher is accessed. They can only be used to purchase non-age-restricted items and will carry an alert to warn of this. Further details of the scheme are set out below.

If your child hasn't previously received free school meals but your circumstances have recently changed, please speak to the school in the first instance.

Who is eligible to receive food vouchers?

Children and young people in education up to the age of 19 who are in receipt of Free School Meals are eligible to receive vouchers for the holiday period. Those in Key Stage 1 and Reception who currently receive Universal Infant Free School Meals but would be eligible for need-assessed Free School Meals if they were older are also eligible to receive holiday meal vouchers.

What will I receive if my child has been identified as eligible?

Parents and guardians of children and young people identified as eligible for the scheme will receive a text message or an email from ECC's voucher provider Wonde. This message will contain a link to 'redeem a voucher'.

Messages will be received on 16th December 2024.

You will be taken to Wondes' school vouchers' page where you will need to enter your details and confirm your email address before being asked to select the retailer you wish to receive a voucher for. You will then be given a PIN and the option to view the voucher. Having confirmed the PIN, you will be issued your voucher. The voucher barcode can be printed off or scanned on a smartphone for use in-store.

Details of the process and more questions about Wonde can be found on their website here <https://help.evouchers.com/hc/en-gb>
